

-NEW RELEASE-

# HTR ZIII

## EVOLUTIONARY TECHNOLOGY REVOLUTIONARY PERFORMANCE

NOW IN AUSTRALIA - SUMITOMO'S FLAGSHIP TYRE

*Japanese Technology  
& Performance*

### **FEATURES & BENEFITS**

• **Advanced Silica Tread Compound**

*Delivers outstanding wet performance without compromising tread wear*

• **5-Rib Asymmetric Tread Design**

*Rigid outer blocks withstand high speed centrifugal force. Inner ribs effectively deliver high speed straight line stability*

• **3-D Wave Wall**

*Minimises centre rib squirm which equals excellent handling response and driver feel*

• **Sacrificial Wear Control Rib**

*Constantly works to reduce irregular wear on inner shoulder blocks*

• **Wheel Flange Guard**

*Protects expensive chrome and alloy wheels from curb damage*
